A Letter from the Exhibit Director

Dear Exhibitors and Douglas County Residents:

Welcome to the 2023 Douglas County Fair: Fair Time is Fun Time. Our 2022 fair was a huge success, and we look forward to what the 2023 fair will bring. Even with all of the planning and organizing we do in order to prepare for fair, we are still pleasantly surprised every year with the unique and creative projects that our community exhibits. The Exhibit Hall is only as exciting as the projects displayed and you continue to impress with your creativity and your willingness to participate. Thanks for all your hard work!

Continuing this year is the "Caps for Cancer" competition. There will be three different divisions: Crochet, Knitting and Sewing. All entries in this category will become the property of the Douglas County Fairgrounds and donated to the Community Cancer Center at the close of the 2023 fair. Show off your talents while making a donation to cancer patients in our own community.

Another big change is the ability for exhibitors to enter up to two items in each class in our departments with non-perishable categories: textiles, art, crafts & photography.

Please feel free to call the Exhibit Building with any questions you may have. My staff is willing to help answer any questions in regard to our entry schedule, preparing exhibits, etc. We are here to help and want to make your experience as easy as possible. We are in the building beginning July 1st. If you have any questions prior to July, please call the Fairgrounds Office at 541-957-7010; a message will be sent to me, and I will respond as soon as possible.

Thanks for all your hard work and for making our Douglas County Fair the best in the State of Oregon.

See you at the FAIR,

**Nicki Opp

Caps for Cancer Competition

~ Sponsored by Douglas County Fairgrounds~

- You can help individuals with cancer deal with chemotherapy hair loss. Make a cap that will be given to a patient at the Community Cancer Center. These caps are needed year around and your participation will be for a worthwhile cause.
- First, find a few hat knitting patterns that suit your abilities. You can find simple patterns online by:
- Browsing the chemotherapy hat design on ChemoCaps.com
- Reviewing the chemo hat knitting patterns on HeadHuggers.org; Searching through the directory of hat patterns on knitting.about.com
- Be sure to choose chemotherapy hat patterns that will cover a person's entire head and are attractive enough for everyday wear.
- Next, follow the hat knitting patterns to create your hats for chemo patients. Use soft yarns, such as those made out of cotton, in upbeat color schemes that are appropriate for outdoor wear. "Baby" yarns make a good choice for chemotherapy hats since they tend to be soft and light. Avoid using any yarn that contains wool in your chemo caps, as it can be harmful to some cancer patients.
- Finally, bring your finished caps to the Exhibit Building on Saturday, August 6 from 9:00am-8:00pm to be entered into competition. **Once projects are entered and judged, they become the property of the Douglas County Fairgrounds.** At the end of fair, all caps will be donated to the Community Cancer Center.
